Date: 12/31/2025

To:

Brandi Lynn Rogers
3929 Argyle st,
Zephyrhills, FL 33542

Re: Application for Tenancy at Zephyr Mobile Home Park
Homesite/Lot No.: 3929
Application Date: 12/09/2025

Dear Brandi Lynn Rogers,

Please be advised that Zephyr Mobile home park, a mobile home park operating under Chapter 723, Florida Statutes, has reviewed your application for tenancy in connection with your intended purchase of the mobile home located at 3929 Argyle st Zephyrhills, FL 33542 within the park.

After completing a review of the information provided, the park has determined that your application for residency is not approved.

This decision is made in accordance with Florida law, which permits the park to approve or disapprove prospective tenants provided the park does not do so unreasonably and applies its written criteria uniformly.

The reasons for denial are:

The applicant did not meet the park's background screening criteria.

Because tenancy is denied, you are not eligible to become a resident nor to lease a lot in the park at this time. Accordingly, you may not occupy the lot or maintain a home within the park as a resident.

We remind you that the State of Florida grants a purchaser of a mobile home the right to cancel or rescind their purchase contract if park approval is denied.

VIA POSTING AND CERTIFIED MAIL
FIRST NOTICE OF VIOLATION OF CHAPTER 723, FLORIDA STATUTES
(Curable Violations)

Pursuant to Section 723.061(c)(2), Fla. Stat., you are hereby notified that within the last 30 days, you have violated a rule, regulation, or lease provision of this mobile home park or a section of Chapter 723, Florida Statutes, to wit:

I. **RULES AND REGULATIONS-SALE OF MOBILE HOME**

Paragraph 2 of the Zephyr Mobile Home Park Rules and Regulations states as follows, "Should you wish to sell your home, notify the office prior to putting it on the market so that an appointment may be set up for the Park Owner to interview your prospective purchaser for the purpose of making sure that they meet the qualifications for residency in the Park before your sale is closed. No one will be allowed to be a tenant if not qualified."

F.S. 723.059(1) states, "The purchaser of a mobile home within a mobile home park may become a tenant of the park if such purchaser would otherwise qualify with the requirements of entry into the park under the park rules and regulations, subject to the approval of the park owner, but such approval may not be unreasonably withheld. The purchaser of the mobile home may cancel and rescind the contract for the purchase of the mobile home if the purchaser's tenancy has not been approved by the park owner 5 days before the closing of the purchase".

Sally Potes sold the mobile home on the subject lot to Brandi Lynn Rodgers without notifying the Park Owner of the pending sale of the mobile home. Brandi Lynn Rodgers applied for residency at the park after the closing of the sale of the mobile home. Upon review of Brandi

Lynn Rodger's application for residency, the Park Owners have not qualified Brandi Lynn Rodgers to reside on the subject property. The decision was made from the criminal records publicly available in Pinellas County and Pasco County.

Brandi Lynn Rodgers is currently residing on the premises located at 3929 Argyle St., Zephyrhills, FL 33542, without the approval of the Park Owner.

In order to correct the above violations, you must, within 7 days from the date of delivery of this notice (allowing five days from the postmark date and excluding Saturday, Sunday and Legal Holidays), on or before January 20, 2026, to take the following corrective actions:

1. Brandi Lynn Rodgers must cease residing at the premises located at 3929 Argyle St., Zephyrhills, FL 33542.

I therefore demand, pursuant to 723.061(1)(c)(2), Florida Statutes, that you either correct the condition described above within seven days of the date of the delivery of this notice, on or before January 20, 2026, or vacate the lot that you now rent, located at 3929 Argyle St., Zephyrhills, FL 33542. If there are any further violations of the same provisions of the rules and regulation and rental agreement provisions listed above with twelve (12) months of receipt of this notice, the Community Owner/Manager will pursue all of its rights and remedies pursuant to Florida Statutes Chapter 723.061, et seq. This includes possible eviction and your tenancy is subject to termination without being given the opportunity to cure the later violations. You may also be liable for the Community attorney's fees in enforcing the above provisions.

PLEASE GOVERN YOURSELF ACCORDINGLY
